

## **As Breathes the Wind**

As breathes the wind upon a silent meadow,  
So moves Thy Spirit o'er my waiting soul;  
As bends the grass in waves by breezes gentle,  
So bows my will to Thy Divine control.

As falls the rain upon a planted garden,  
So fresh descends Thy lavish love on me;  
As tender plants drink fully of the shower,  
So soaks my spirit in Thy blessing free.

As shines the sun upon a ripening harvest,  
So shines on me Thy never-failing grace;  
And soon shall I, at harvest time, be ready  
To see the glory of my Savior's face.
