

BECAUSE HE CAME

Words and Music by Jim Reese

I wonder where I'd be today if Jesus had not come this way
To bring salvation to my sin-sick soul.
In Satan's net I would be caught and to a sinner's grave be brought,
But Christ has saved me and has made me whole.

Chorus

Because He came, my heart is fully changed;
Because He came, my life is rearranged;
Because He came, I'll love Him and adore;
Because He came, I'll serve Him evermore.

The price He paid at Calvary to save a sinful wretch like me
Could not be fathomed through a million years;
But though I cannot search the love that brought my Lord from
Heaven above,
I'll serve Him though it cause me pain and tears.

My life on earth is now a joy, a new song now my tongue employs
Since I've been cleansed from all my sin and shame;
And when I'm caught up in the air to live with Christ forever there,
I'll thank Him that to earth for me He came.
