

## God Has Built a Temple Here

Based on I Corinthians 6: 19-20  
Words and music by Jim Reese.

Once my heart was full of sin,  
Wickedness once reigned within.  
But through Jesus' cleansing blood,  
I am now at peace with God.

### *Refrain*

God has built a temple here.  
In His Word He's made it clear.  
He has built it not with stone,  
But in flesh and blood and bone.  
In my body He now dwells.  
I am His and all is well.  
Heaven now is very near  
For God has built a temple here.

I must not unfaithful be  
To the one who died for me.  
Christ now lives within my heart.  
Sin must never share a part.

Holy Spirit, master me;  
May each thought spring forth from Thee.  
May my speech by Thee be phrased,  
In my deeds may Christ be praised.
