My heart is filled with joyful singing  
Since Jesus gave new life to me!  
He set the bells of Heaven ringing  
That day I came to Calvary.

### *Chorus*

I found a song when I found Jesus,  
I found a song when He found me;  
A song of life, of joy and vict'ry,  
I found a song when He found me.

I had no song of satisfaction,  
Till Jesus came and made me whole;  
But since I found His great salvation,  
Sweet melodies now flood my soul.

My song today is but an echo  
Of what I'll sing on Heaven's shore;  
With perfect voice that He will give me,  
I'll praise His name for evermore.
