

It Won't Be Long

Words and music by Jim Reese

It won't be long till Jesus comes for me,
It won't be long till His dear face I'll see;
And I'll be satisfied in Heaven above
To live forever in His grace and love.

Chorus

It won't be long, it won't be long
Until I join the heavenly throng
Where I shall praise my Lord in song.
It won't be long, it won't be long!

This life on earth has purpose, well I know,
And it is here I've learned to trust Him so;
Where'er I've been He's always been with me,
And some day soon with Him I'll ever be.

It won't be long, till then I'll watch and pray,
Content to live for Christ, let come what may;
The toils and tears that mark the path I tread
Will soon be changed to glory up ahead.
