

Jesus Has Promised To Care

Words and music by Jim Reese

Why should I ever be tempted to fear,
When I have Jesus so near me?
Why should I ever be drawn to despair,
When Jesus has promised to care?

Refrain

Jesus has promised to care for me,
Care for me, care for me;
Not just for time, but eternity,
Jesus has promised to care.

Once I was fearful of God's watchful eye,
Now I am glad He is near me;
Once hope was gone, till I cried out in prayer,
"O Savior, I know that you care!"

So let me ever be filled with His praise,
Since I have Jesus so near me;
May I live daily this message to share,
That Jesus has promised to care.
