

LED BY LOVE

Words and music by Jim Reese

I was led by love to Calvary
Where I saw my soul's deep need,
At the place where Jesus bled and died,
There my heart from sin was freed.

Chorus

I was led by love to Calvary
Where Jesus saved my soul,
Now I'm led by love along life's way
Since I let Him have control.
And it won't be long 'til I get home
To that heavenly land above,
Where I shall sing for evermore,
"I've been led by love."

I am led by love along life's way
Since the Spirit dwells within,
And no matter what befalls my path,
He'll give grace to conquer sin.

I'll be led by love to Heaven's shore
In a very little while
Where I'll live with Christ forevermore,
And I'll feast upon His smile.
