I have a reason for singing,  
I have a theme for my song;  
I have a life worth the living,  
To the Christ of the cross I belong.

## *Chorus*

The song I was born to sing  
Is a new song, tried and true song.  
The song I was born to sin,  
Is my destiny for all eternity;  
My song has a beautiful melody,  
And all God's world is in harmony  
With my new song that Jesus gave me,  
The song I was born to sing!

I have a song of salvation,  
And it's a song I can share;  
I am a brand new creation,  
And I'll tell it to all everywhere.
