Is your heart troubled, cumbered with care?  
Is your life empty, crushed with despair?  
Jesus is ready to hear your heart's prayer;  
There is an answer for you.

### *Chorus*

There's an answer to your problem,  
There is cleansing for your sin,  
There is healing for each heartache,  
If you'll let the Savior in;  
There is joy in place of sorrow,  
There's provision for your need,  
There's direction for tomorrow  
If you'll only let Him lead.

Are your skies cloudy, stormy and gray?  
Have you been wandering far from the way?  
Jesus is waiting to help you today;  
There is an answer for you.
