What a wondrous expectation
Satisfies my heart today;
All who love the Lord's appearing
Someday shall be caught away!

Chorus

When Jesus comes, the saints shall rise to meet Him,
When Jesus comes, with shouts of joy we'll greet Him;
I'm longing for that blessed happy day
When Jesus comes, When Jesus comes!

Hear the blessed final chapter
Of the greatest story known;
How a King, though once rejected,
Shall return to claim His throne.

Once the Lamb, but now the Lion,
Once the Servant, now the King;
Christ will come in power and glory,
Heaven and earth their praise shall bring.

Many signs are now abounding
Telling us He soon will come;
Lift your hearts in prayer and praising,
Christ will shortly call us home!

Swiftly flies God's time of mercy,
Soon will come the Judgment Day;
Now salvation's door is open,
Seek the Lord while yet you may.
